Dr. James D. Green, *Pastor*
Paul Snyder, *Asst. Pastor*

Dear Pastor,

As his pastor, I would like to recommend Brother Mark Chartier to be a part of your missions outreach. I have known him and his precious wife for 16 years.

Brother Mark has had real on-the-job training as a BPS/Calvary Publishing missionary. He knows the heart of a pastor and desires to be a blessing to your church. He can be used in a variety of facets in your services. He can also fill your pulpit or preach a missions conference as well as present his ministry of graphics that could be a great help to your ministry.

Brother Mark was a full-time, fully supported missionary with Calvary Publishing before the Lord called him to pastor a wonderful church in Wolverine, Michigan, four years ago after the pastor died suddenly. That church was one of his supporting churches. Now, the Lord has moved a wonderful man and his family to Wolverine to take over the pastorate, and Brother Mark is once again a full-time missionary. He has been a great blessing to many churches with their website needs as well as an avenue to get tracts, stationary, banners, fliers, etc. that your church might need in the line of graphics. Brother Mark knows how to do the work as well as find the best prices in this competitive world. He would be a great asset to your ministry as your own go-to man for your printing needs.

Brother Mark will be trying to raise his personal support. If you could support him it would be a great blessing to him and a benefit for your church.

If you would need any further information or personal reference, please feel free to call me at anytime. 517-882-2280, ext.11.

For His glory,

Pastor Jim Green
